

LEARN

How to Avoid a Funeral Crisis.

Dont be misled, misinformed, nor taken advantage of.

FREE EDUCATIONAL WORKSHOP This educational session should be attended by those who want to know why the worst time to plan a funeral is at the time you need one, how family members can avoid tremendous stress and what resources consumers have to research costs and options.

LEARN THE FOLLOWING:

- **Avoid a Family Fight: How to keep from fighting over a funeral**
- **Top Consumer Fears: Learn how to avoid them**
- **Cost of a funeral: Price guidelines across the country and right here too**
- **Burial vs Cremation: Surprising cost information**
- **Most popular funeral planning options: Why you won't be satisfied**
- **Life Insurance: Why it can't be used to pay for the funeral**
- **Top money saving tips!**
